

[Intro]

**C G Am F**

[Verse 1]

**C G**  
Somehow we've always been together

**Am**  
But never got together

**F C**  
I never felt the pressure 'til now

**G**  
There's something in the air

**Am**  
I'm here and you're just there

**F C**  
I can't pretend that I don't care

[Pre-Chorus]

**G Am**  
(Yeah) One day I might get it right

**F**  
Am I ready for tonight

**C G Am**  
(Yeah) Caution, caution, amber lights

**F**  
Still can't get you off my mind

[Chorus]

**C**  
Don't know how and don't know when

**G**  
But we're becoming more than friends

**Am**  
I'm getting closer to the edge

**F**  
Stop me from falling

**C**  
Should've seen the warning signs

**G**  
Now I'm running out of time

**Am**  
Kind of wanna cross the line

**F**  
But stop me from falling

**C G Am F**  
For you, For you (stop me from falling)

**C G Am F**  
For you, For you (stop me from falling)

[Verse 2]

**C G**  
One risk from lying on your shoulder

**Am**  
When I was feeling colder

**F**  
And now I can't get over

**C G**  
One kiss, a dangerous situation

**Am**  
I'm lost in hesitation

**F**  
My heart's a little shaken

[Pre-Chorus]

**C G Am**

(Yeah) One day I might get it right

**F**

Am I ready for tonight

**C G Am**

(Yeah) Caution, caution, amber lights

**F**

Still can't get you off my mind

[Chorus]

**C**

Don't know how and don't know when

**G**

But we're becoming more than friends

**Am**

I'm getting closer to the edge

**F**

Stop me from falling

**C**

Should've seen the warning signs

**G**

Now I'm running out of time

**Am**

Kind of wanna cross the line

**F**

But stop me from falling

**C G Am F**

For you, For you (stop me from falling)

**C G Am F**

For you, For you (stop me from falling)

[Outro]

**C**

Don't know how and don't know when

**G**

But we're becoming more than friends

**Am**

I'm getting closer to the edge

**F**

Stop me from falling

**C**

Should've seen the warning signs

**G**

Now I'm running out of time

**Am**

Kind of wanna cross the line

**F**

But stop me from falling

**C G Am F**

For you, For you (stop me from falling)

**C G Am F**

For you, For you (stop me from falling) **C**
