125 BPM

Intro: Dm F C G

Verse 1:

I've been wandering 'round the house all night, wondering what the hell to do
Yeah I'm trying to concentrate, but all I can think of is you
Well the phone don't ring 'cos my friends ain't home, I'm tired of being all alone
Got the TV on 'cos the radio's playing songs that remind me of you

Chorus 1:

Baby when you're gone I realize I'm in love
Days go on and on, and the nights just seem so long
Even food don't taste that good, drink ain't doin' what it should
Things just feel so wrong, baby when you're gone, yeah

Verse 2:

I've been driving up and down these streets, trying to find somewhere to go
Yeah I'm looking for a familiar face but there's no one I know
Oh this is torture, this is pain It feels like I'm gonna go insane
I hope you're comin' back real soon cos I don't know what to do
